

**Registration Fee:** There's a \$35 new member registration fee for the science club, which includes a lab coat. Students who only participated in the summer adventures and have not paid a registration fee will need to pay a new member's fee for the science club. Only those who have paid a member's fee qualify for the discounted returning-member's registration fee of \$15, a lab coat has already been received. Extra lab coats are \$25, or you may pay the new member's fee when registering.

**Tuition:** The tuition is \$531 for the academic year, Sept. – May. The tuition includes the \$324 program fee plus a supply/disposal fee of \$207. The \$531 may be paid in full, or two payments of \$265.50, due at enrollment and by January 15, or the tuition may be paid by \*9 monthly payments of \$59, which are due by the 1st of each month (Sept. – May), not the session's start date. There's a \$5 late fee automatically applied to your account for payments received after the 5th of the month. **If selecting to pay the tuition via 9 monthly payments, I agree to pay the monthly payments until the tuition has been paid in full.**

**A 30-day written notice of cancellation** is required if canceling or taking a leave of absence during the academic year. There will be a \$15 re-enrollment fee to rejoin, if space is available. **If a student has been removed from the roster due to a 20-day past due payment,** there will be an additional \$25 admin service/late fee due before rejoining the program.

**Tuition is based on the academic year,** consisting of the 9 sessions/themes, which equals a minimum of 33 classes within the 34 planned lessons. **Tuition is not based on the months, as some months may have 3 classes and some months may have 5 classes.** The dates as to when each session begins are listed on the school's flyer.

**Tuition adjustments will not be made** for student absences. Tuition pays for an enrolled space in the WoWScience Club, not your child's attendance. Once a student is enrolled for the academic year, their spot is reserved, and class preparation is done in advance. Your child's spot belongs to your child alone and cannot be used by any other child while you are enrolled. There are no refunds on missed classes, and payment is still expected for missed, sick, or emergency/weather closure.

**School closures** that are not listed on the WoWScience flyer will be made up if we do not meet the minimum classes. This will provide the opportunity for the students to complete the academic year sessions.

**By checking/completing the registration form,** I certify that the information is true. I release World of WonderScience enrichment program's owners, staff, and promoters from liability for any losses, damages, and any claims or demands on account of any injury arising out of or related to the activities in the World of WonderScience programs.

Make all checks payable to World of WonderScience and **mail** to:

World of WonderScience

P.O. Box 1192

Grapevine, TX 76099

Or **Zelle** the payment to [cherylw@worldofwonderscience.com](mailto:cherylw@worldofwonderscience.com)

**Be sure to note the member's name and school in the memo section.**

**N.S.F. Checks:** In the event that your payment is returned, there will be a \$35 fee added to your account balance. A returned check must be paid with a cashier's check, money order, or cash.

**It's going to be an exciting year in the WoWscience club!**
