

Registration Fee: There is a \$35 new member registration fee for the science club which includes a lab coat. Students that only participated in the summer adventures and have not paid a registration fee, will need to pay a new member's fee for the science club. Only those that have paid a member's fee, qualify for the discounted returning-member's registration fee of \$15, a lab coat has already been received. Extra lab coats are \$25 or you may pay the new member's fee, when registration.

Tuition: The tuition is \$531 for the academic year, Sept. – May. The tuition includes the \$324 program fee plus a supply/disposal fee of \$207. The \$531 may be paid in full or two payments of \$265.50, due at enrollment and by January 15 or the tuition may be paid by a *monthly fee of \$59 which is due by the 1st of each month (Sept. – May), not the session's start date. There will be a \$5 late fee automatically applied to your account for payments received after the 5th of the month.

***If selecting to pay the tuition via monthly payments**, I agree and am obligated to pay the monthly tuition from onset until either the program completes or the tuition has been paid in full.

A 30-day written notice of cancellation is required, if canceling or taking a leave of absence during the academic year, there will be a \$15 re-enrollment fee to rejoin.

Tuition is based on the academic year, consisting of the 9 sessions/themes. equaling 33 or 34 classes. **Tuition is not based on the months** as some months may have 3 classes and some months may have 5 classes. The school flyers will have the dates as to when each session begins.

Tuition adjustments will not be made for student absences. Once a child is enrolled for the academic year, their spot has been reserved and prepared therefore there will not be any refunds on missed classes.

School closers, holidays or bad weather days that are not listed on the flyer will be made up, if we do not meet the minimum classes. This will provide the opportunity for the students to complete the sessions for the academic year.

By checking/completing the registration form, I certify that the information is true. I release World of WonderScience enrichment program's owners, staff, and promoters, from liability for any losses, or damages and any claims or demands on account of any injury arising out of or related to the activities in the World of WonderScience programs.

Make all checks payable to World of WonderScience and **mail** to:

World of WonderScience

P.O. Box 1192

Grapevine, TX 76099

or Zelle the payment to cherylw@worldofwonderscience.com

Be sure to note the member's name and school in the memo section.

N.S.F. Checks: In the event that your payment is returned, there will be a \$35 fee added to your account balance. A returned check must be paid with a cashier's check, money order, or cash.

It's going to be an exciting year in the WoWscience club!
